

COMPLETE LUBRICATION SOLUTIONS

LUBRICANTS PRODUCT CATALOGUE

Your Secret Guardian!

Your Secret Guardian!

The Vaxtron Advantage

High Performance:

With premium lubricants by Altrol, you achieve optimal results, even with high speeds, heavy loads and high temperatures.

Exceptional Stability & Compatibility:

Our lubricants feature exceptional stability and show minimum variation in viscosity over a wide temperature range. These lubricants are compatible with a wide range of materials.

Multifaceted Performance:

Along with effective lubrication, our products minimise wear, provide corrosion protection and dissolve residue deposits

Special Solutions for Individual Needs:

From lubricants for Industrial Sectors to specific customized solutions, we provide you with the right solution to your challenge.

Add smoothness to your
PERFORMANCE

Vaxtron™
GLOBAL | Automotive

Vaxtron has a wide array of automotive lubrication solutions. These premium grade lubricants are formulated to offer robustness to vehicles, augment engine life, boost performance, and enhance overall longevity.

Vaxtron products are formulated to meet demanding performance standard which are set by API, SAE, JASO and others

Vaxtron Mercia Series

High Performance Passenger Car Motor Oils (PCMO).

Vaxtron Mercia 4T Ride Series

High Performance Four Stroke Motorcycle Oils (MCO).

Vaxtron Mercia & 4T Ride Series are available in formulations options which are:

- Fully Synthetic
- Synthetic Based
- High Quality Mineral Based

Vaxtron Dynamic Series

Heavy Duty Multigrade Engine Oils formulated as per latest performance standards. Suitable for

- Heavy-Duty Vehicles
- Power Generator Sets

Vaxtron GearFox Series

Advanced Automotive Gear, Transmission & Axle Oils.

Vaxtron UttoFox Series

Superior Tractor Oils

Vaxtron TurboPLUS Series

Advanced Multigrade Diesel Engine Oils

Vaxtron Turbo Series

Advanced Monograde Diesel Engine Oils

Vaxtron CoolMAX Series

Long Life Engine Coolants

- Concentrate Coolants
- Premix / Ready to use (RTU)

Greases & Specialities

Vaxtron Greases

A wide range of High Performance Greases

- Multipurpose Greases (MP/AP)
- High Temperature Greases
- Extreme Pressure Greases
- Lithium Complex Greases
- Water Resistant Greases
- Wheel Bearing Greases
- Food Grade Greases
- Poly Urea Greases
- Non Melt Greases
- Graphite Greases
- Chassis Greases
- Silicon Greases
- Moly Greases
- Calcium Sulfonate Complex

Vaxtron PRO Series

Wide Array of Process Oils

- Rubber Process Oils: Naphthenic, Paraffinic & Aromatic
- White Oils
- Mineral Oils

Vaxtron Marino Series

High Performance Marine Lubricants

Vaxtron Spray Oils

Vaxtron caters to Varied Spray Oil Applications:

- Horticulture Mineral Oils (Vaxtron HMO)
- Rubber Spray Oils
- Tea Spray Oils

Vaxtron Transformer Oils

As per various requirements of BIS. Eg: IS 335

Vaxtron Specialities:

- Synthetic Lubricants
- Silicone Compounds
- Food Grade Lubricants
- Anti Seize Compounds
- Cleaners & De-greasers
- Shuttering Oils
- Industrial Fuels
- Lubricant Additives
- Lubricant Viscosity Index Improvers
- Punching & Stamping Oils

Welcome to **Vaxtron™** - A Brand of Premium Lubricants GLOBAL

is a multifaceted lubricants company with a staunch commitment to manufacture and deliver high performance lubricating oils, metalworking fluids, greases and other specialties. Vaxtron has made a strong impression in global lubricants market. Today it enjoys an impeccable reputation for its complete range of Industrial, Automotive, Marine & Speciality Lubricants.

Our well equipped laboratory and state of the art manufacturing unit are located near Mumbai, with a team of qualified professionals handling a sales network across the country with regular exports to over 12 countries. We are accredited with **ISO 9001:2015 and ISO 14001:2015** Certifications.

With our wide product range, technical support & a strong quality focus -
Vaxtron is a partner you can depend on.

Production Efficiency**

**Extend Maintenance Interval
& Reduce Downtime**

Overall Cost Savings

**Industrial
Oils**

Vaxtron HydroGuard Series

High Performance Hydraulic Oils:

- Anti-Wear / HLP / HVLP / HVI / EHVI
- Ashless / Zinc-Free / Super Clean Hydraulic Oils
- Fire Resistant Hydraulic Fluids

Vaxtron Fibera Series

Advanced Gear Oils: Mineral & Synthetic

Vaxtron WayGuard Series

Premium Slideway Oils

Vaxtron SpinGuard Series

Advanced Spindle Oils

Vaxtron ChainGuard Series

Speciality Chain Lubricants: Mineral & Synthetic

Vaxtron FreezeGuard Series

Advanced Long Life Refrigeration Compressor Oils

Vaxtron ToughTek Series

Advanced General Purpose Machine Oils

Vaxtron ThermoGuard Series

Superior Long Life Heat Transfer Fluids / Thermic Fluids:

- Mineral Oil Based
- Synthetic Based

Vaxtron VacuumGuard Series

Premium Vacuum Pump Oils

Vaxtron TurboGuard Series

High Performance Turbine Oils

Vaxtron Texlube LL Series

Long Life Textile Oils

Vaxtron PrintGuard LL Series

Premium Long Life Print Machinery Oils

Vaxtron CompressGuard Series

Long Life Compressor Oils

and many more industrial oils solutions.
